rectangular pedal bin

Description:

I'm the strong, silent type: This pedal bin has a strong, all-steel pedal and our patented lid shox® technology for a slow, silent close.

Features:

- Our strong, all-steel pedal is engineered to last over 150,000 steps—that's more than 20 steps a day for 20 years
- Our patented lid shox® technology controls the motion of the lid for a slow, silent close
- extra wide pedal: extra wide stainless steel pedal provides easy access
- fingerprint-proof: resists smudges to keep stainless steel shiny
- hide excess bag: bag tuck® opening tucks away excess bag so it stays neatly out of sight
- odorsorb™ filters: natural charcoal filter is integrated into the lid to neutralise odours without harmful chemicals
- slim profile hinge: slimmer than traditional hinge designs, keeps the lid from hitting the wall
- stay-open lid: keep the lid open whenever you need it — great for long chores
- sturdy, non-skid base: non-skid base has rubber pads that are gentle on floors and keep the bin steady
